### ***Traversal of Claim Rejections Under 35 U.S.C. § 102(e)***

Claims 45-69 stand rejected under 35 U.S.C. § 102(e) as being anticipated by Rios (US 2004/01235820 A1); “Rios”). Applicant respectfully traverses this ground of rejection.

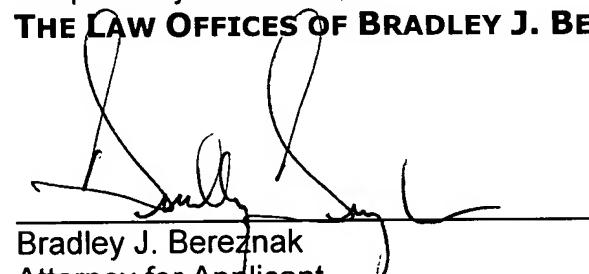

Applicant is submitting herewith declarations of Stephen G. Perlman (the named inventor) and Bradley J. Bereznak (the undersigned attorney) with attached Exhibits that establish invention of the subject matter of the rejected claims was conceived prior to the December 31, 2002 filing date of the parent continuation-in-part application no. 10/334,747 of the Rios reference. Applicant respectfully submits that these declaration and exhibits establish conception prior to the effective date the Rios reference coupled with due diligence in the time period from just prior to the effective date the Rios reference to the February 14, 2003 effective filing date of the present patent application, i.e., the filing date of parent application no. 10/367,197. The rejection under 35 U.S.C. § 102(e) based on the Rios reference should therefore be withdrawn. (See MPEP 715)

All rejections having been traversed, Applicant respectfully submits that all remaining claims are in condition for allowance.

Please charge any shortages of fees or credit any overcharges of fees to our Deposit Account No. 50-2060.

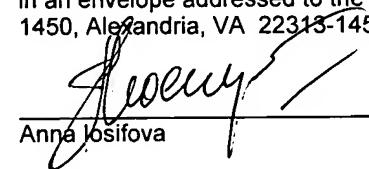

Respectfully submitted,
